2022 weekend snow storms and frigid wind chills resulted in many traditional Christmas related activities being canceled. It was too cold for a live nativity to safely happen. Christmas Eve the county road workers were asking people to stay home, they were struggling to even get the paved roads open and the windchill was dangerously low.

But despite the weather, Christmas wasn't cancelled, Christ came to earth ~2,000 years ago, in a time that seemed less than convenient to His earthly parents. They made a journey that wasn't easy—resulting in the Messiah being born exactly where the prophet Micah said He would be born.

New Years Eve Family Fun Night

Come to the church December 31st starting at 7 PM for a time of fun and fellowship.

Bring a game and snack to share.

Come and go as you like—things will wrap up around mid-night.

The third Sunday of the year, an annual meeting is held in the sanctuary following the worship service. This is a time where we look back at the good times, and harder times, as well as the events that we participated in as a church.

We also look forward to the new year, and vote for the leaders who will take an active role in church leadership for the new year and beyond.

Plan on staying after worship on January 15th. The annual report will be gotten out as soon as possible to those who receive the newsletter via e-mail. Ideally paper copies will be available in the sanctuary Jan 8th— but no later than the meeting.
