

# Be the light follow Jesus Christ

Early Saturday morning (May 21st), 8 teenagers and 4 adults climbed into a Spencer van to make the over 7 hour journey to Branson MO to the Sight and Sound Theater to see *Jesus* live on stage. The drive, even with breaks along the way, was long, but 15 minutes into the show, they all felt it was worth it. Soon, they were asking if what they saw on stage really was in the Bible. “Yes, yes it was! It really brought Jesus to life for all of us!” said Raejean, one of the adults who braved the back of the van with the teens.

Some of their favorite or most impactful parts of the show were how Jesus rescued Peter from drowning in the water, the cross being raised with Jesus on it, the moment Jesus came back to life and the angel that floated down from the ceiling to the tomb to roll the stone away, the Prodigal Son story, the pigs plunging to their death after the demons were sent into them, the last supper, Jesus struggle in the garden before being arrested.

The following morning they attended church in MO before making the return trip back to Clarion.

### Communion Preparation helpers needed

Did you ever wonder how communion is always ready before the start of service? Someone bakes the wafers, cutting them into bite size pieces. During the week, the assigned person comes into the church to fill cups and lay out wafers, leaving the trays in the refrigerator until they are brought

upstairs Sunday morning.

Is this something you could help with?

Generally, one woman is assigned to cover the preparation for the month, but that isn't the only way you can help. Maybe you like baking and are willing to make the wafers for others, or perhaps you are willing to sub when someone is unable to cover a specific week. Does it seem overwhelming? Ask to share a month to learn what is needed.

**Lisa Kluss** is currently looking for more people to help with the preparation. Please contact her about how you can contribute. **515-851-0063**

## Meals on Wheels in July

Once again, we are looking for drivers to deliver Meals on Wheels to shut-ins around Clarion. With school being out, there are no “runners,” you can choose to do both the driving and walking yourself, or grab a friend or student you know to help you. There are 2 routes each day and 20 days to deliver.

Are you able to sign up for any days? **Please contact Nancy Erickson (515-532-6577) to get scheduled.**

Sunday, **June 5th**, Dr. Jennifer Hayden will be leading the adult Sunday School at 9 AM and joining us for worship at 10 AM. Dr. Hayden recently became the executive director for Kinship Christian Radio (KJYL et al).
