NEICSC
Discipleship Hall
work updates.
Thank you to those
doing the work.

Men from the congregation continued to go over to North East Iowa Christian Service Camp to get the new discipleship hall sheet rocked. Their hard work, raising several tons of material is paying off. The sheetrock is up everywhere except the two bathrooms. As of April 19th the basement has a final coat of mud on half of it and a second coat on the other half. We hope to have it textured and painted by the end of April. Once that is done and we finish with the plastic paneling, we can start moving in sinks, the stove, and hopefully, the cabinets for the serving counter and islands will be here.

15th Annual Missions and Outreaches Prayer Breakfast

April 10th—Palm Sunday

Representatives from several of the places we support spoke about what the group was doing.

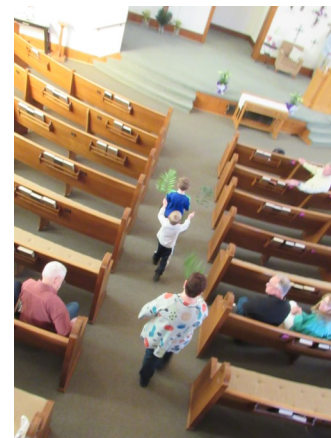

Our group then divided into thirds, one group starting at the front of the brochure and working forward, the 2nd group starting at the back and working backwards and the final group picking at random which missions to pray for.

If you get a paper copy of the newsletter and would like a paper copy of the document, please contact Tiffany.

The children cry “Hosanna”

And with the help of some of the adults, the youngest in the congregation were able to reenact the crowd during Christ’s triumphant entry into Jerusalem.

Easter morning the congregation met to have breakfast together before worship. Thank you to the many people who made this happen by setting up tables, baking egg bakes, setting out food, and cleaning up after it was done.

Egg bakes were provided by: Lisa Kluss, Connie Hinton, Karen Hobbie, Rosanne Loux, Jan Taylor, Stacia Grandgeorge, Kaci Andrews, Judy Ofstethun and Amanda Rosenkilde. Cinnamon Rolls were provided by Leslie Kauffman, Karen Hobbie and Raejean Chapman.

Tables, decorations and food were set up by Lisa and Dean Kluss, Mike and Barb Redig and Judy Ofstethun.

Many people also helped clean up and get extra food into “take out” boxes for people to bring home.

Thank you also to anyone forgotten or overlooked in this endeavor.

Thank you to Keith Grandgeorge and Chad Chapman for working to improve our sound system area.

Some of you may have noticed the screen occasionally blanking out for a second or two, or Keith needing to re-set up the words on screen. The men feel they have found the issue and have taken steps to correct it. While simply replacing a part would help, they chose to also rearrange the placement of the things needed to operate the audio and visual equipment. The new arrangement will make it easier for one person to be making changes on the soundboard, while also changing slides or starting/stopping videos.

While the set up looks slightly overwhelming, most of it operates fairly easily. The small box on top operates the volume of the 8 wireless microphones (now easy to reach, instead of trying to access it between the desk and cabinet, while trying not to knock down a computer monitor). While we have access to 27 sliders to control volume outputs, on a typical Sunday we only use 2, pulpit mic and computer input. Below the computer monitors is a tape deck/multiplayer CD player that allows tracks to be queued up, waiting for us to hit play when ready.
